SKIN CARE

I am using Baby O range since its launch & I'm very happy because it covers everything that I want for my baby! Hair & Body wash helps to keep my baby clean and fresh all the time; Multi-purpose Balm gives essential nourishment. Diaper cream is indeed a saviour & Body Oil is a favourite for both of us.

Vinali Matlani,
Brand Partner, Ahmedabad

Saviour

As baby's skin is very delicate it was important for me introduce safe products that really care and protect. That's why I chose the Baby O range for my precious one – it is paediatrician approved and 95% natural. Her skin is well nourished and silky soft. It also soothes and relieves my baby's skin from diaper rash.

Brand Partner, Nagaland

Caring

baby O

Baby O features the most interesting products I had the pleasure to work on, with safety at the core of each formulation. I use the Multi-Purpose Balm and Hair & Body wash myself and I'm delighted to recommend Baby O to my friends.
